Good Guns For Goldsboro

The Honorable Jacob Daley, the one and only leading attorney at law of Westport, could well understand the disappointment felt by the two young brothers seated opposite him.

"Twenty years ago your uncle, Lou Burke, was one of the richest and leading ranchers in this county. He made unwise investments with his spare cash. Lost almost every cent he had. So he sold the ranch and paid off his debts. Your uncle was an honest man. Then he decided he would get the agency for that new single action gun made by the Colt's Arms Company. It uses a metallic cartridge. He bought about five-hundred of them and also many boxes of those new bullets. His idea was to travel around in a wagon and sell the guns. The price was \$17.00 a gun, and he would make a nice profit. He got a heart attack and died. His estate consists of those guns, bullets, one large wagon, four horses to pull it and a stallion. In addition there is about three-hundred dollars in cash."

Young Hart Burke looked sadly at his brother, Tom. For this they had come a long way to claim their inheritance. Perhaps it would have been better to stay back in the East. Yet, all their friends had given them the same advice.

"Go West, young men. The West is the place of opportunity for anybody with a bit of brains."

Suddenly Tom laughed. He realized that he and his brother were in the gun business. And in all their lives they never had shot a pistol or a rifle.

"Maybe we ought to sell those revolvers to the Indians. They certainly would be good customers."

"And you'll both be behind prison bars. It is against the law to sell any shooting weapon in this territory to a redskin," explained the attorney. "I have a suggestion to make. Start

travelling with your stock. See if you can make sales and build up a good business."

There was really nothing else to do but to follow the suggestion. And so the two brothers bought a map, stock of food and some bedding. They made a list of the various small towns and communities they might visit. But at the end of two months, they were discouraged. Tom had the coffee pot over the fire and gave vent to his feelings.

"Back home every time they mentioned the West, they always talked about fights — drunken cowboys shooting up a town, bandits holding up the stage, Indians attacking a town."

"Indians attacking a town," repeated Hart Burke. "Now that gives me an idea that ought to help us sell the guns. The next place we are going to visit is Goldsboro. You stay here. I'll arrive in town about ten in the morning. I know I won't make a sale. But I will visit the sheriff. Then about three in the afternoon you ride into town on your horse. Tell them that Chief Long Face has left the reservation with his braves. He is headed here to attack the town. That ought to bring customers for our guns and bullets. Rip your shirt. You can even cut a few small wounds on your hands and face. Make it realistic when you get into town. Slide off the horse and half faint. I'll get out of town as soon as I sell the guns to the scared people. Meet you at the other side of the creek."

Sheriff Frank Ross was seated in his office when Hart Burke entered and introduced himself and the purpose of his visit to Goldsboro. The sheriff explained the ordinance they had passed two years ago.

"Can't carry a gun in this town. It's illegal. We didn't want strangers coming here, getting drunk and then taking pot shots at our people. As far as we are concerned there's no need of pistols or rifles. No game around here to hunt. And the redskins are hundreds of miles

LASH LaRUE WESTERN

away from here, living peacefully on the reservation."

"How about one of the new colt guns for yourself?" asked Hart Burke. "Let me tell you something about it. The length of this pistol is 12½ inches. The length of the barrel is 7½ inches. The bore or caliber is .45 inch. It weighs two pounds and just five ounces. As for the rifling, six grooves, one revolution in 16 inches, and the depth of the groove is .005 inches. The number of the chambers in the cylinder is six. It has a solid frame and is case hardened. As for the cartridges, the weight of the powder is .30 grains, the weight of the lead is 250 grains, central fire and external primer. All I ask for a gun is just \$17.00."

The sheriff went over to his desk and took out a pistol which he showed the young man.

"Bet you never saw a Volcanic pistol. First manufactured by Smith and Wesson at Norwich, Connecticut in 1854. Not a bad gun but it had one great weakness. That was in the cartridge design. Used a cylindro-conoidal lead bullet with a deep hollow in its base which contained the propellant and detonator. I could talk for hours about guns. But don't let me detain you. Go ahead and see our peaceful town."

For the next few hours, young Hart walked around the town. He was in the Big Drink Saloon when the deputy, Slim Ernest, rushed up to him.

"Sheriff wants you in a hurry. A fellow just rode into town half dead on his horse. The Indians under Chief Long Face are going to attack us, and we need those guns."

Hart was calm as he heard the good news. He had parked his wagon and horses at the blacksmith's shop. Two of the horses needed some new horse shoes. He walked slowly there and noticed a big crowd that had gathered. One of the men shouted to the sheriff.

"Give us guns! We can't stand here and just do nothing. Those redskins will burn down our homes. They will even scalp us. We aren't afraid to fight. Give us guns!"

The sheriff informed them he had no pistols nor rifles to give them, but there was a young man in town who had plenty of the new colt revolvers. And many boxes of bullets. He would sell them the guns and the needed ammunition.

Within an hour every gun and box of ammunition had been sold. And young Hart now had a fortune in his possession. He watched the townspeople barricade their homes. Barricades were built leading into the town. With guns in their possession, they would be able to give the redskins a good battle. And the sheriff had figured out a way of fighting.

"Half of the men in this town are going out

with me along the highway. We'll hide on both sides of the road. When the Indians ride in, then we'll open fire. We'll cut off their line of retreat. So what can they do? Head straight for our town. They will get a good dose of lead. Have to surrender or be wiped out."

The townspeople were all busy listening to the sheriff. Quietly, Hart walked away and went to his wagon. He paid the blacksmith and drove the wagon away from the main street of the town. His destination was the other side of the creek. He had the reins in his hands, when the deputy walked up to him. For a moment, Hart thought they had gotten wise to his scheme.

"Sheriff told me to tell you to get out of town. Go to the creek and wait till the fighting is over. You are the hero, and we don't want anything to happen to you. Just imagine how lucky Goldsboro is. You came from nowhere with guns and bullets and sell them to us at a regular price. We ought to build a monument to you."

Slowly Hart drove the wagon out of town by the back way. It would take him to the creek, and there he would wait for his brother. He had in a small chest in the wagon more than ten thousand dollars in cash. They could return East with that money and buy a small business — provided they made good time and kept one step ahead of the people of Goldsboro. He realized how angry they would be when they discovered they had been fooled.

Hart reached the creek by nightfall and made camp. He was tired and slept very well. He awoke late in the morning and started to prepare breakfast for himself. He was busy frying some bacon, when he heard hoofbeats. It was the horse carrying his brother Tom.

"Just in time for some good breakfast. I'll have a pot of coffee on the fire in a few minutes. Then we better get out of here before they start looking for us. How did you get out of town?"

There was a peculiar look on Tom's face. As though a man had been through the impossible.

"They want me to stay in town. Offer to set me up in business. Even told me to find you and bring you back. They know we are brothers."

"They'll hang us for fooling them," snapped back Hart.

"No they won't," replied Tom. "Chief Long Face left the reservation with five-hundred of his braves. They had bows and arrows and a few old guns. Our guns did the trick. After a couple of volleys, they all surrendered. Now we are both heroes, though we started out to be rascals."

HOW ABOUT THE NAME ROY MASSEY? I JUST MADE IT UP, BUT IT SOUNDS PURTY GOOD!

I RECKON IT'LL DO! I THINK I'LL WRITE A LETTER, TO ANN RIGHT AWAY!

AND WHEN LASH ARRIVES THE NEXT DAY--

WHOA, BLACK DIAMOND! THE FIRST PLACE WE'VE GOT TO VISIT IS THE ARID VALLEY POST OFFICE!

CAN YOU TELL ME IF THERE'S A POST OFFICE BOX HERE IN THE NAME OF ROY MASSEY?

SORRY, STRANGER, BUT WE DON'T GIVE OUT THAT INFORMATION!

I HAPPEN TO BE A ROVING MARSHAL, THE QUESTIONS I'M ASKING ARE OFFICIAL BUSINESS!

THAT'S DIFFERENT! YES, THERE IS A POST OFFICE BOX INAR IN THE NAME OF ROY MASSEY, BUT ACTUALLY IT BELONGS TO BURT MEADE; HE USES THE OTHER NAME FOR BUSINESS PURPOSES!

WHERE CAN I FIND THIS BURT MEADE?

IF I HEARD CORRECT, HE'S GOT A SHACK THIS SIDE OF ANPOINT ROAD!

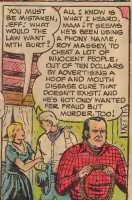

I'M GOING OUT TO LOOK FOR HIM! IF HE SHOULD COME IN HERE FOR HIS MAIL WHILE I'M GONE, DELAY HIM! HE'S WANTED FOR FRAUD AND MURDER AND IT'S IMPERATIVE THAT I FIND HIM AS SOON AS POSSIBLE!

SHORTLY AFTER, AT THE BAR THICK 'N' THIN---

THIS PHONY NAME, ROY MASSEY, DOESN'T FOOL ME! I KNOW IT'S BURT MEADE-- AND I DON'T LIKE IT! IF HE TRIES TO WRITE YUH ONCE MORE, I'LL RIDE INTO TOWN AND THRASH HIM MYSELF!

YUH WON'T HAVE TO BOTHER TOM. I JUST CAME FROM TOWN AND EVERYBODY'S LOOKING FER HIM. FIRST SOME MARSHALL, LASH LARUE, WENT AFTER HIM AND JUST AS I LEFT THE SHERIFF WENT AFTER HIM, TOO!

YOU MUST BE MISTAKEN, JEFF! WHAT WOULD THE LAW WANT WITH BURT?

ALL I KNOW IS WHAT I HEARD, MAM! IT SEEMS HE'S BEEN USING A PHONY NAME, ROY MASSEY, TO CHEAT A LOT OF INNOCENT PEOPLE, OUT OF TEN DOLLARS BY ADVERTISING A HOOF AND MOUTH DISEASE CURE THAT DOESN'T EXIST; AND HE'S NOT ONLY WANTED FOR FRAUD BUT MURDER, TOO!

LASH La RUE WESTERN

LASH LaRUE WESTERN

HE'S UNCONSCIOUS! LET'S HANG THIS HYAR VARIANT BEFORE THE LAM-NAN COMES TO!

YUH PICK OUT A TREE AND WE'LL DO THE REST, CASON!

AND AS LASH REGAINS CONSCIOUSNESS---

WHEN I COUNT THREE, WHIP THE HORSE AND THAT'LL LEAVE BURT DANGLING FROM THE TREE!

(GULP!) THEY'VE GOT BURT STRUNG UP!

ONE--TWO--

I'VE GOT TO WORK FAST OR THEY'LL KILL BURT!

WITH DEADLY ACCURACY, LASH UNCURLS HIS FAMOUS BULL WHIP AND---

HUH? WHERE'D THAT WHIP COME FROM?

RIGHT HERE!

YOU'LL BE SORRY YUH BUTTED INTO THIS AFFAIR!

THE FIRST ONE OF YOU TO GET IN MY WAY WILL FEEL THE FULL STRENGTH OF THIS BULL WHIP! NOW STAND ASIDE WHILE I TAKE BURT MEADE TO THE SHERIFF!

YUH WON'T HAVE TO TAKE HIM TO ME, LASH! I'M THE LOCAL SHERIFF! I'LL SEE THAT NO HARM COMES TO HIM BEFORE HE GETS A FAIR TRIAL!

THAT'LL BE FINE, SHERIFF! IN THIS GREAT COUNTRY, EVERY MAN IS ENTITLED TO A FAIR TRIAL AND GUILTY OR NOT GUILTY NO ONE BUT THE PROPER AUTHORITIES HAVE THE RIGHT TO TAKE THE LAW INTO THEIR OWN HANDS! LYNCHING IS UN-AMERICAN!

WHILE YOU LOOK HIM UP, THERE ARE A FEW THINGS BURT SAID THAT I WANT TO CHECK ON! I'M GOING TO GET MY HORSE AND GET TO WORK ON THEM, PRONTO!

LASH LaRUE WESTERN

I'VE BEEN WATCHING EVERYTHING THAT'S BEEN GOING ON. I WON'T FEEL SAFE UNTIL I GET RID OF THIS ROVING MARSHAL! SO--

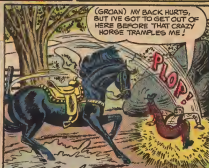

CONK!

BUT BLACK DIAMOND SEES THAT HIS MASTER IS IN DANGER AND--

GULP!

(GROAN) MY BACK HURTS, BUT I'VE GOT TO GET OUT OF HERE BEFORE THAT CRAZY HORSE TRAMPLES ME!

PLOP!

THE HORSE STOPPED CHASING ME, BUT I KNOW IF I TOOK ONE STEP TOWARD THAT MARSHAL, HE'D JUMP ON ME! MY BEST BET NOW IS TO GO THROUGH ALL THE UNOPENED MAIL ADDRESSED TO ROY MASSEY, TAKE OUT THE MONEY AND VAMOOSE!

WHEN LASH COMES TO--

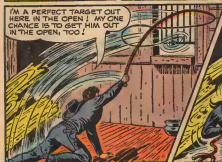

I DIDN'T SEE WHO BUSH-WACKED ME, BUT I'VE GOT A GOOD IDEA WHO THE CRITTER IS! LET'S HIT THE TRAIL, BLACK DIAMOND!

SHORTLY AFTER--

WHOA, BLACK DIAMOND! THIS IS AS FAR AS WE GO!

LASH LA RUE WESTERN

LASH La RUE WESTERN

LATER, AT THE BAR THICK 'N' THIN--

---AND NOW THAT YOU KNOW THE FACTS, CASON, I HOPE YOU REALIZE THAT YOU WERE ALMOST RESPONSIBLE FOR LYNCHING AN INNOCENT MAN! IF I HADN'T INTERFERED, YOU'D BE A MURDERER!

I REALIZE HOW WRONG I WAS TO TAKE THE LAW INTO MY OWN HANDS AND YOU CAN REST ASSURED, I'LL NEVER DO IT AGAIN!

BUT WHILE YUH PROVED MEADE WASN'T A MURDERER, I STILL THINK HE STOLE MY WATCH AND I DON'T WANT HIM AROUND!

STOLE YOUR WATCH? IT WASN'T A DIAMOND WATCH WITH THE INITIALS 'TC' ON IT BY ANY CHANCE?

IT WAS, BUT HOW DID YOU KNOW?

I LOCKED UP A CROOK IN LARADO THE OTHER DAY WHO HAD THAT WATCH ON HIM. HE SAID HE PICKED IT OUT OF A COWPOKE'S POCKET IN THE GENERAL STORE IN THIS TOWN!

I GUESS I OWE YOU ANOTHER APOLOGY, BURT! DO YOU THINK YOU CAN EVER FORGIVE ME?

GO AHEAD, BURT---FOR MY SAKE!

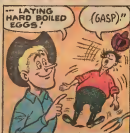

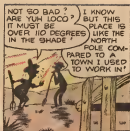

YOU WON'T REGRET THIS, BURT, AS SOON AS YOU AND ANN ARE MARRIED, I'M MAKING YOU A FULL-FLEDGED PARTNER ON THE RANCH!

LET'S GO, BLACK DIAMOND!

---I DON'T THINK WE'RE NEEDED AROUND HERE ANYMORE!
